MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Office of Workers' Compensation Program (OWCP)

1. We have recently received a number of questions concerning the placement of the Office of the Workers' Compensation Program. We realize, in some instances, that certain aspects of OWCP have been transferred to other functional offices such as Safety and Occupational Health.
2. This is a reminder that in accordance with the enclosed memorandum from Dr. Chu dated, 13 June 2003, and the enclosed DoD Directive 1400.25, dated 25 November 1996, the responsibility for the Office of Workers' Compensation Program (OWCP) will be retained in the civilian personnel functional area.
3. An action plan is currently being developed to assist in transferring all of the OWCP functional responsibilities back to the human resources program. In addition, this office is also coordinating with DoD to obtain training for offices that need OWCP training. We expect the transition to be completed no later than 30 June 2005.
4. My point of contact for this issue is Taiwana Smith, (703) 325-9985 or DSN 221-9985 Taiwana.Smith@us.army.mil.
